## The everyday signature duo — fresh-marine icon meets amber best-seller.

**Why it works:** A globally recognized fresh classic beside the Afnan phenomenon buyers can't keep in stock — one light, one warm, so they cover each other. Two houses no single brand could put in one box.

## Two American icons — Eternity for her, Grey Flannel for him.

**Why it works:** For the broad mainstream shopper who over-indexes on clean designer icons: Calvin Klein Eternity and Geoffrey Beene Grey Flannel — names that need no explanation, banded together as a his-and-hers value gift.
